

2020 Picture Day Information

November 4, 2020

We need **all** students and staff to get their pictures taken by InterState to be included in the yearbook. Seniors, remember, this is the picture that will hang on the wall for years and years to come

What will the day look like?

Students will be called down throughout the day to each location (see below) via the PA. Students will be kept at least 6 feet apart and students will remain masked until they sit for their picture. They'll remove their mask for a quick picture and will put their mask back on properly before getting up and going back to class.

Where do we go when it's time?

Seniors, pictures will be in the LCHS **cafeteria**

Juniors, Sophomores, Freshmen and all Staff, pictures will be in the **main gym**

I'm remote, when can I get my picture taken?

7:15 to 7:45 a.m. OR 1:00 to 1:30 p.m. are reserved for remote students.

***Please wear your ID and don't forget your mask to enter the building.

How do I order?

No picture packets will be sent home this year. All orders must be done online.

Seniors, you will get a flyer with pose options a few weeks after picture day. If you want to order, you will do so at that point. Each flyer has an individual order code on it.

Freshmen, sophomores, and juniors - to order your school pictures, go online to:

<https://inter-state.com/order>

Use the order code: 53340YB

Remember that you are not required to order, but you are required to get your picture taken to be included in the yearbook!

Will there be a makeup day?

Yes, watch the website and your email for information about a makeup day in the spring.

What about the staff?

Staff, please go to the main gym for your picture. Plan to stop by on your prep period if it happens on a white day and feel free to jump the line. Staff with blue day prep period, please stop by before or after school to get your picture taken.
