

The homecoming parade will be **Friday, September 22nd, 2017**. Parade participants need to arrive at **3:30pm**. If you prefer, you may arrive as early as **3:15pm** to begin setting up or have all of your participants gather. Please come to the student parking lot and a volunteer will direct you to your staging area. The parade will start promptly at **4:00pm**. The route is Airport to Garfield to Lafayette to Pfeiffer and back to the LCHS parking lot. All decorations and signage will be left up to your club to provide.

We ask that you talk to your float riders and remind them it is a child friendly parade and they should not be throwing items at a fast rate at ANY time. If you have any questions or concerns please feel free to contact me.

**Please periodically check the Limestone webpage (<http://limestone.k12.il.us/>) for updates and information regarding parade participants and drop-off details.**

A few reminders:

- We ask that at the **end of the parade**, you **do not let anyone off** of the float until you are in the grass area by the football field (weather permitting). **This is a safety precaution for all (including children, high school students, and adults)**. We would like young participants to be accompanied out of this area by adults, since traffic from the parade will be occurring at the same time in the student parking lot. Please plan your organization's pickup accordingly.
- There will be limited parking in the student lot of LCHS due to barricades for float staging. There will not be a lot of spots available, therefore parents won't have an area to park and walk their child in, so please plan accordingly.
- Candy should never be whipped during the parade. **It is the responsibility of each organization to ensure that no candy is thrown at spectators during the entire length of the parade.**
