**Frequently Asked Questions**

**1. When is registration for the 2017-18 school year?**

*Tuesday and Wednesday, August 1-2, from 8 a.m. to noon & 3-7 pm; parents/guardians can choose either day to register.*

**2. Are the registration forms available online?**

**Yes, in fact, this year forms are only available online.** *Parents and students can complete all forms in advance of August 1-2 or at registration where computers will be provided. Login information will be mailed home with registration information this summer, for your convenience. **To be clear, both parents and students will have online forms to complete.***

**3. What can I do to expedite the registration process?**

*The best way to expedite the process is to complete the forms in advance. Again, forms become available through Skyward on July 10.*

**4. What do I do if I don't have a computer at home to complete the forms in advance?**

*Limestone is making computers available on three "family-assistance days," July 17, 18 and 19, from 7:30 a.m. to 4:00 p.m. Evening times are available. Please schedule by calling the Principals' Office, 697-6271, EXT 455.*

**5. Can I complete the online forms on my cell phone?**

*Yes, you can use your cell, but you need to use Skyward through our website, not with the Skyward app.*

**6. Do I need to complete online forms for each of my children?**

*Yes, but some information, such as address and phone number will auto-populate. Otherwise, you need to complete forms for each of your students.*

**7. What if I cannot make it to registration on August 1 or 2?**

*There is a make-up date on Wednesday, August 9, from 8 a.m. until 2 p.m. However, registering on this date may result in a longer wait time because transfer students are also enrolling on this day.*

**8. What will happen if my child and I do not attend registration on the 1<sup>st</sup>, 2<sup>nd</sup> or 9<sup>th</sup>? What options do I have?**

*If you do not attend registration or call to schedule an appointment by August 14, your child will be dropped from his/her scheduled classes. You can schedule an appointment by contacting the Guidance Office, at 697-6271, EXT 423.*

**9. Does my family still need to provide proof of residency?**

*Yes. You must have TWO valid forms of proof of residency with both documents occurring within the past two months. An envelope is not sufficient; the proof must be the actual bill/papers (copies will not be accepted). Valid documentation to prove residency includes: property tax bill, electricity/gas bill, water bill, cable bill, home/apartment rental agreement papers.*

**\*\*NOTE:** *The following will NOT prove residency: driver's license, credit card bills, or bank statements.*

**10. What will students and parents be doing the day of registration?**

*Students will be picking up class schedules, purchasing padlocks (as needed), and checking transportation information. Parents will be proving residency, confirming online fee payment or paying fees. Both parents and students will be completing any forms not completed prior to registration.*
