

## LIMESTONE COMMUNITY HIGH SCHOOL

### 2013-2014 Registration Fees

Limestone District 310 collects book fees on a flat fee basis; this fee covers textbook rental. The 2013-2014 fee is \$125 per year, which can be paid on a yearly basis or \$62.50 per semester. The yearly fee for the second child of a family is \$100 and \$75 per year for each additional child in the family. The semester charge would be half of these rates. The flat fee includes books, participation in music (other than extracurricular trips) and sports activities, general classroom equipment, and specific classroom supplies. Driver's Education fee is \$100 for the Behind the Wheel portion of the course. As stated, textbook rental is included in the flat fee, but each text becomes the responsibility of the student. If a textbook is lost or damaged, an additional cost will be assessed to the student for repair or replacement. The flat fee does not include insurance, admission to school activities, stock and material for student projects in shop, art, and family and consumer science classes, yearbook purchases, hallway or PD replacement padlocks, class rings, senior graduation fees, or other specific student fees. Insurance premium information will be enclosed in the Summer Edition of the Rocket Review and also available on the LCHS website. Certain classes may require the purchase of a workbook, subscriptions, or material that students will keep at the end of the course. Specific course fees are listed below.

### Fee Waiver Eligibility

Parents may be eligible for a waiver of registration fees if they receive SNAP/TANF benefits and/or gross household income is under Federal guidelines for free or reduced lunches. Families who are directly certified for food benefits through the State will receive a mailing from Limestone District 310 in early July. Alternatively, Household Eligibility Applications for free/reduced lunch, which will waive Book Fees, are available in the Summer Edition of the Rocket Review or at our website after July 1, 2013. Completed applications should be submitted to the Assistant Superintendent, Denise Ryder, in the LCHS Business Office. Fee waivers only apply to Book Fees and Driver's Education BTW; all other fees are described below.

### FEE INFORMATION

#### GENERAL FEES

##### Book Fees

First Child - \$125

Second Child - \$100

Any Additional Child - \$75

Padlock for Hallway Locker - \$5

Physical Development - T-shirt with padlock rental - \$5
